### RECITALS

The Medical Center desires to provide clinical and educational opportunities for residents in accordance with the Accreditation Council for Graduate Medical Education (ACGME) Common and Specialty-Specific Program Requirements for Transitional Year.

Resident desires to take advantage of the Medical Center’s facilities for clinical training in a residency program.

**NOW, THEREFORE**, Medical Center and Resident agree as follows:

1. **Medical Center’s Responsibilities.** Under this Agreement, Medical Center agrees as follows:
  - A. To provide an educational program and sufficient clinical experience in keeping with the ACGME institutional and program requirements.
  - B. To provide a stipend during the Term (as hereinafter defined) of this Agreement that will be payable in bi-weekly installments as part of Medical Center’s payroll. For a PGY-1, from the Commencement Date and continuing for the remainder of the Term, the stipend will be the gross amount of \$2,192.31 per pay period (\$57,000 annualized). For sake of clarity, the Term consists of a paid orientation period (one payroll period) that begins on the Commencement Date plus a one-year performance of PGY-1 services and education that is contemplated to begin on July 1, 2024.
  - C. All compensation will be subject to withholding for income taxes, Social Security, and other legally required deductions, and any deductions requested by Resident.
  - D. Educational and patient care responsibilities will be provided both in the form of General Guidelines (provided during initial orientation) and specific verbal and/or written descriptions of specific rotations.
  - E. Residents, who are employees of the Medical Center, are insured for professional liability while acting within the scope of their residency employment. Coverage is provided by MagMutual. This coverage applies for the duration of training, and provides legal defense and protection against awards from claims reported or filed after the completion of graduate medical education. This coverage is consistent with the institution’s coverage for other employed medical/professional practitioners. Coverage provided will not be less than \$1,000,000 per each event, and \$3,000,000 annually in aggregate.

F. Resident will be entitled to 4 weeks of vacation to be used during their dedicated vacation block, and (5) sick days with pay per academic year during the PGY 1 training year.

G. Benefits are effective the first day of the month following the hire date and include:

1. Access to health and hospitalization insurance for residents and their eligible dependents.
2. Life Insurance/Accidental Death and Dismemberment.
3. Long Term Disability Insurance.
4. Meals – Access to appropriate food services when on duty.
5. Call Rooms – In-house call rooms that are safe, quiet, and private.

9. Reasonable accommodation for employees for disabilities that would allow the resident to perform the essential functions and duties of his/her job.

H. In the event of a reduction in the size or closure of a residency program or closure of the institution, the Medical Center will inform the residents as soon as possible. The Medical Center will allow residents already in the program to complete their education or assist the residents in enrolling in an ACGME accredited program in which they can continue their education.

2. **Resident's Responsibilities.** Appointment is contingent on acceptable health and drug screen, background check and verification of credentials.
